Sitka Conservation Society's

# Wild Foods Potluck

Wednesday, November 2nd  
at Centennial Hall

Booths and dish entry at 5:30pm  
Dinner served at 6:00pm

Come celebrate Alaska's bounty with friends and family. Bring a dish featuring food fished, foraged, hunted or cultivated in Southeast. If you don't have any wild foods to share, just garnish your dish with a local plant. Dinner will be served at 6:00 pm, followed by a short Fish To Schools Program. Prizes will be given for first place in the following categories: Best Entree, Best Side, Best Dessert, Most Creative, and Incorporation of the Most Local Ingredients. Entries should include a wild/local food. Pick up an entry form at the front table when you arrive at the potluck. This event is open to the entire community; you do not need to be a Sitka Conservation Society member to attend. Non-alcoholic hot drinks will be provided.

*Salmon quiche*

*garden carrot salad*

*salmon Caesar salad*
