Entries and food vendors MUST stay until 5:00 pm.

If awarded a ribbon, please leave ribbons along with 3 X 5 card (provided on the day by GSAC) in place until 5:00 pm for public viewing.

Food vendors are responsible for contacting Greg Johnstone at DEC (747-8614) to obtain all required permits and information. GSAC is not responsible for any issues relating to food vendors and DEC regulations.

Food entrants must provide a minimum of two samples for the judges (one for tasting and one for display).

Entrants are responsible for their own displays-please endeavor to make your display visually pleasing.

If you are entering the Hobbies category: Tables provided are 8 feet long and 2.5 feet wide. Please keep your display to one half of a table- 4 feet long, 2.5 feet wide.

If you are entering the pickling or smoked/canned fish categories please include a small sign with your entry explaining what kind of fish you used, the type of brine and any other pertinent information.

If you are entering in the Hobbies category and are unable to remain with your entry to answer questions from the public-please provide a professional looking sign listing some basic information regarding your display. Visitors are interested in your creations/collections. Let them know who/what it is made of, how many years you have been creating/collecting and any

GSAC staff/volunteers will provide red and white checkered table cloths for the food entries and solid colored table clothes for the Hobbies entries.
